The background of the image is a deep blue night sky filled with numerous small, bright stars. A prominent, slightly hazy band of light, resembling the Milky Way, stretches diagonally across the upper right portion of the frame. In the lower third of the image, there are dark, silhouetted shapes that appear to be mountain ranges or hills. Overlaid on this background is a solid, medium-blue rectangular box that occupies the central horizontal space. Inside this box, the Korean text "감사합니다." is written in a clean, white, sans-serif font.

감사합니다.
